Word of God and follow God's Law.
SECEDE TO SURVIVE.**

As many of you know our beloved chairman, Mike Whorton, has been very ill over the past couple of months. He has struggled with a serious strain of pneumonia which has led to multiple hospitalizations. Through the faithful prayers of many across the South, Mike is slowly improving. For this, we are most thankful to our Lord Jesus and we ask that you continue to diligently pray for Mike's strength, healing and comfort as he fights to get back home to the people he loves. He wants you all to know how much he appreciates every prayer and every gesture of kindness each has shown him. He is humbled by so much kindness. Mike has been faithful to our cause for many years of tireless dedication

and we need to show him how much we have appreciated him by rallying together to do what is necessary to push forward in his temporary absence. We must come together in this season as a family of like-minded Southron Christians and let heaven hear our voices for Mike and for this noble cause. You can encourage Mike by writing to him, emailing or sending him a message. Phone calls and visits are welcomed but should be limited as he must conserve his energy at the current time. He is most anxious to see everyone again and get back to the business of our SCC but please understand that his healing will take time and conservation of his energy.

Mike was released from UAB Hospital on the afternoon of July 24 and is slowly recovering at home. GOD BLESS HIM !!!!!
