GREETINGS TO ALL OUR SOUTHERN PEOPLE

Our MONTHLY meeting will be held on November 21, 6-8 pm. November is a time for giving thanks and being thankful for all we have. "For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer." —1st Timothy 4:4-5

The Wetumpka monthly meeting on November 21 will be a fine Southern Thanksgiving Supper for all our friends and supporters. The main plate of turkey and ham will be provided by the Center and we are asking all our friends to bring a covered dish or dessert to complete a fine Southern supper for all.

We intend to have available on our SCC website, by January 1, 2025, the SCC videos and documents including the 3rd National Conference on August 16 & 17, 2024 and many others monthly. Availability to our website videos and documents will be limited to SCC members only. Friends and supporters of the SCC will be able to request a DVD. It is intended that the SCC chapters will use these available videos and documents in their chapter meetings, and for members not able to attend these events, to be updated in our fight for our freedom and independence.

Our Southland was hit by a one-in-a-hundred-years hurricane, Hurricane Helene, on September 24, 2024. The states of Florida, Georgia, Tennessee, South Carolina, Virginia, and North Carolina have suffered extreme damage and loss of life, especially western North Carolina. The Empire's emergency help department, FEMA, has offered an extremely weak hand and indicated all help and donations must go through their department and we must "not get in their way". How insulting. The Empire has indicated that they are running out of funds and can only provide \$750 to each in need here in the Southland, since funding for food, shelter, and healthcare for higher-priority people, such as illegal aliens, is of greater importance. We thank all of our Southern friends and supporters that helped the SCC to raise \$1500 at the October 17 monthly meeting. The donation was sent to our SCC Brother Billie Joe Holley and was delivered to the Eastern Heights Presbyterian Church that is very near to the devastated area in western North Carolina. We will continue to raise donations for our Southern friends in need. If you would like to help our Southern friends in need please send your donation to the SCC, PO Box 220, Wetumpka, AL 36092.

Our good Southern friend Michael Gaddy, the Rebel Mad Man, hosts a radio podcast on Republic Broadcasting Network every Sunday night at 6 pm EST/ 5 pm CST. Mike has declared every 3rd Sunday night monthly podcast will be "SCC Night" with Mike Whorton, Ed Boardwine, and other SCC members discussing events, meetings, and information concerning our fight to protect the culture, heritage and Christian values of our Southern people and our fight for freedom and independence in our own land. On the 3rd Sunday October 20, 2024, Mike Whorton, Dana Casey Jones, and Daryl Mutter were SCC guests on the Rebel Mad Man's podcast, Secede to Survive. Our next 3rd Sunday at 6 pm EST/5 pm CST will be November 17. To listen to the podcast go to Republic Broadcasting Network at republicbroadcasting.org on your computer or iPhone, scroll down to "LISTEN LIVE" and select "play" at 5 pm CST in Alabama. Let's get a big Dixie crowd listening to the SCC Night Rebel Mad Man's podcast.

Let us secede from sin, wickedness, ungodliness and tyranny. Obey the Word of God and follow God's Law. SECEDE TO SURVIVE.

**WE WILL HONOR OUR PAST AND DRAW FROM IT STRENGTH, COURAGE, AND WISDOM TO
OURSELVES TO GO FORWARD AND ATTAIN OUR FREEDOM AND INDEPENDENCE
IN OUR OWN LAND. (Alabama)**

The US Government has announced that your monthly 2025 Social Security check, that you earned by years of hard work, will be increased by 2.5% due to the average higher inflation of 4.1% in 2023 and 8.0% in 2022. That means your monthly SS check will increase on average by \$40 and your Medicare will then increase by an average \$20 leaving you with an overall increase of \$20. As of today the average cost of food products is 19.5% higher and the cost of fuel 60.1% higher than on January 1, 2021. Wonder if the illegal alien's monthly EBT card (unearned) increased also??

The Alabama law of "school choice" goes into effect beginning with the school year 2025. This new law requires that the funds for student schooling will move with the student whether the student attends a public school, private school, or is homeschooled. Get your children the proper schooling you know they need and deserve. Leave that failing public school your child is now forced to attend and put your child into a school of your choice paid for by the State.
